Rod Roberto  
President  
Parkview Little League

Dear Rod and Parkview 12 year old All-Star Players,

On behalf of the Board of Directors of Eastlake Little League we would like to send our congratulations to your 12 year old all-star team for what they have accomplished. Although we are competing leagues when we play each other in District 42 tournaments, they are now not only representing Parkview Little League, but our district and the City of Chula Vista and they should be proud.

Everyone that has been involved in all-stars as a player, coach and parent knows how difficult it is to win a district flag, but to get to the Western Region tournament in San Bernardino is an outstanding accomplishment.

Please let the players and parents know that we have been following the team and we congratulate them on their efforts to get to the Western Region tournament and wish them the best in making it all the way to the Little League World Series. Tell the players to enjoy what they have accomplished and good luck!

Sincerely,

Board of Directors  
Eastlake Little League

2220 Otay Lakes Road, Suite 502-127 Chula Vista, California 91915
